**Table tops for exhibitors** (in MiniTec conference room) are now also available!

Cost of Table top - \$1,000

Only 10 tables are available. Will be given on first come, first served basis.

**Poster session**

**Submissions now being accepted for review & display**

The 2021 poster session at our MiniTec was very successful and well received by attendees - not only our MiniTec but also by many other conference attendees. The posters are displayed on easels in walkways along the mezzanine between the conference rooms and the room where lunch is served near the escalators. This is a high traffic area and many attendees stopped to view the posters. See “Call for Posters” for more details at the MPD microsite:

[www.4spe.org/i4a/pages/index.cfm?pageid=7115](http://www.4spe.org/i4a/pages/index.cfm?pageid=7115)

Prizes will be given to the top three posters as judged by the committee.

Submitters need not be present.

Poster proposals due to committee by 3-15-22.
