

CALL FOR POSTERS

Are you working on a project related to medical polymer science, polymer engineering, or medical innovation?

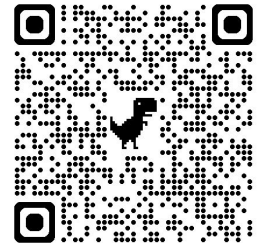

Showcase Your Work at the SPE Poster Session – Submit Now!

We invite you to share your research with industry leaders by participating in the **SPE Poster Session** at our upcoming industry event!

This is a fantastic opportunity to:

- Present your research in medical polymers, materials, and processes that improve the quality of healthcare
- Gain visibility with participation in a professional MedTech conference
- Build valuable industry connections that can shape your career

Topics: Advanced Medical Polymers, Next-Generation Medical Devices & Therapeutic Delivery, Sustainability & Lifecycle Considerations
